What is a High School?

A high school is youth, a composite of youthful sights and sounds. It is the sight of young America thronging to school in the mornings, scurrying to classes, bending over books or working problems at a blackboard. It is boys and girls strolling hand in hand between classes or dancing dreamily at a prom. It is a blur of color on the football field or the conglomerate shades of sweaters and skirts and loud sports shirts in the crowded halls.

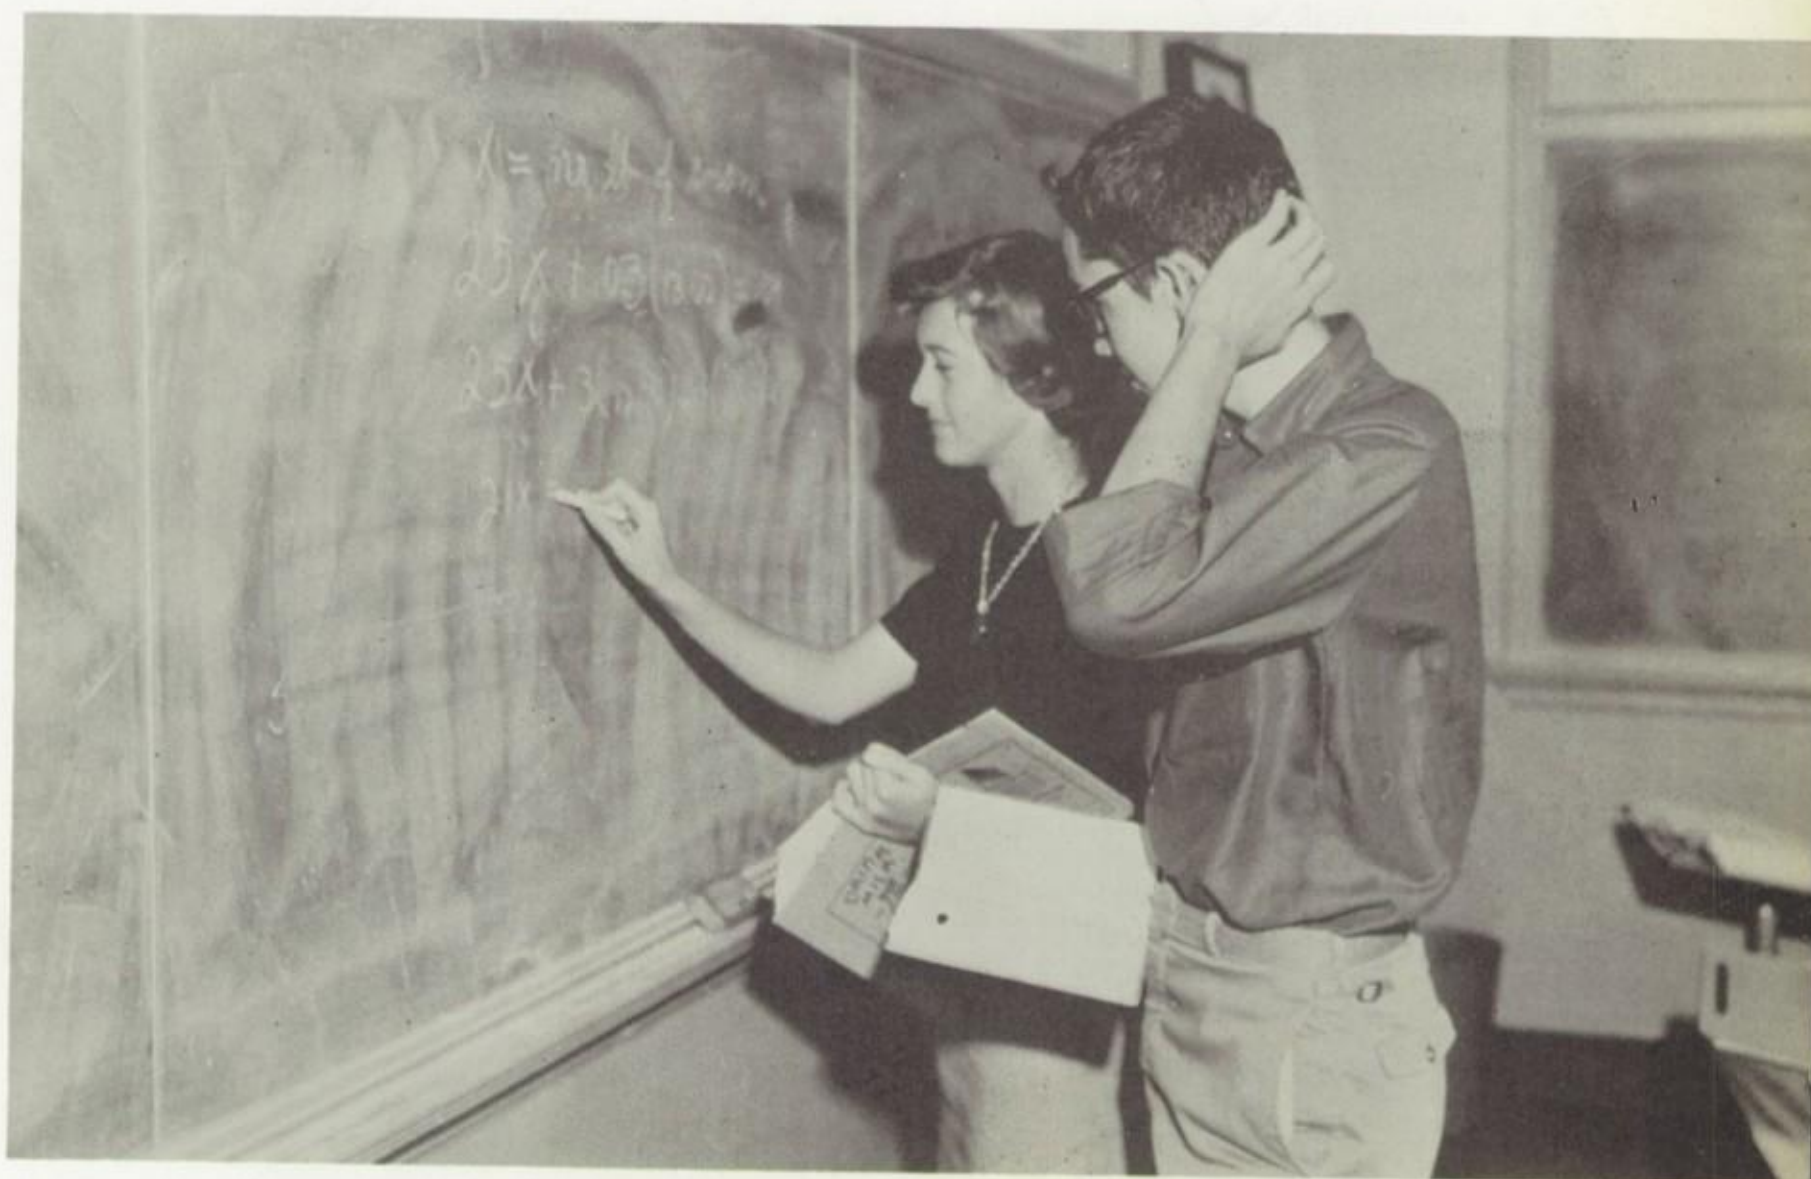

A high school is the sound of slamming locker doors, of grinding pencil sharpeners, of rustling notebook pages. It is the cadenced rhythm of the band, the clangor of bells signaling the change of classes, the tread of hurrying feet at the end of the day. It is the swell of youthful voices cheering the team, singing in assembly or calling to companions.

A high school is many faceted laughter. It is the companionable laughter of a group of pretty girls talking over last night's dates, the laughter of class and its teacher sharing a common amusement, and the sometimes bitter laughter that masks the hurt of disappointment or failure.

A high school is vision, hope, dreams. It is the future in the making. It is the realization of a job completed when commencement day arrives and a voice inside says, "Well done".

WE HONOR

Miss Stone gives friendly advice to a student planning her college career.

A touch of humor permeates the atmosphere of her first year French Class.

The mosaic of our school would be incomplete without the salient and vivid patterns traced by one who, like Tinker Bell, the Blue Fairy, and Ariel of literature, devotes her efforts to those who need her. Our blithe spirit is one who tempers the serious with the gay, who inspires, encourages, challenges and whose magic touches all. With deep and sincere affections we dedicate the 1960 Colonel to our advisor, confidante, and co-sponsor Miss Mary Elizabeth Stone.

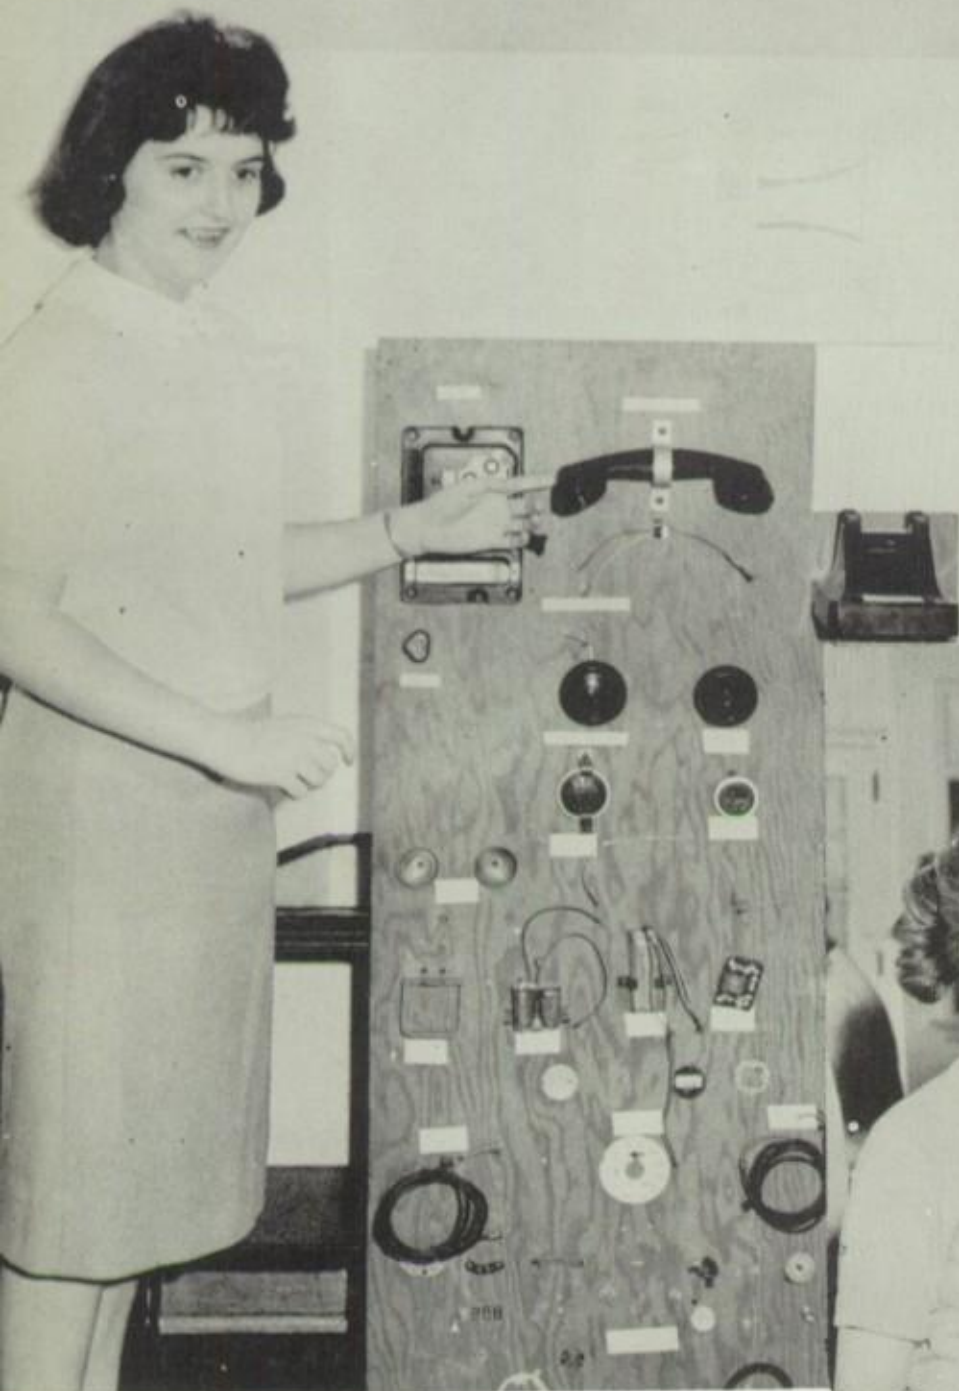

A high school is classes. It is mastering an algebra problem, performing a chemistry experiment, learning to type a business letter.

The lives, the attitudes, the principles of our faculty may influence our characters, but it is our own daily approach to our studies which determines our mastery of the subject matter. Fleming's well-balanced curriculum gives each of us an opportunity to make the most of our abilities.

CURRICULUM

In a Sputnik-conscious era, Fleming students prepared themselves for the future by adding science to their studies. A general science class found many younger students learning basic principals to be applied later in physics and chemistry. Courses such as biology and advanced biology offered much valuable laboratory work, although those with squeamish stomachs felt weaker and weaker as dissections began.

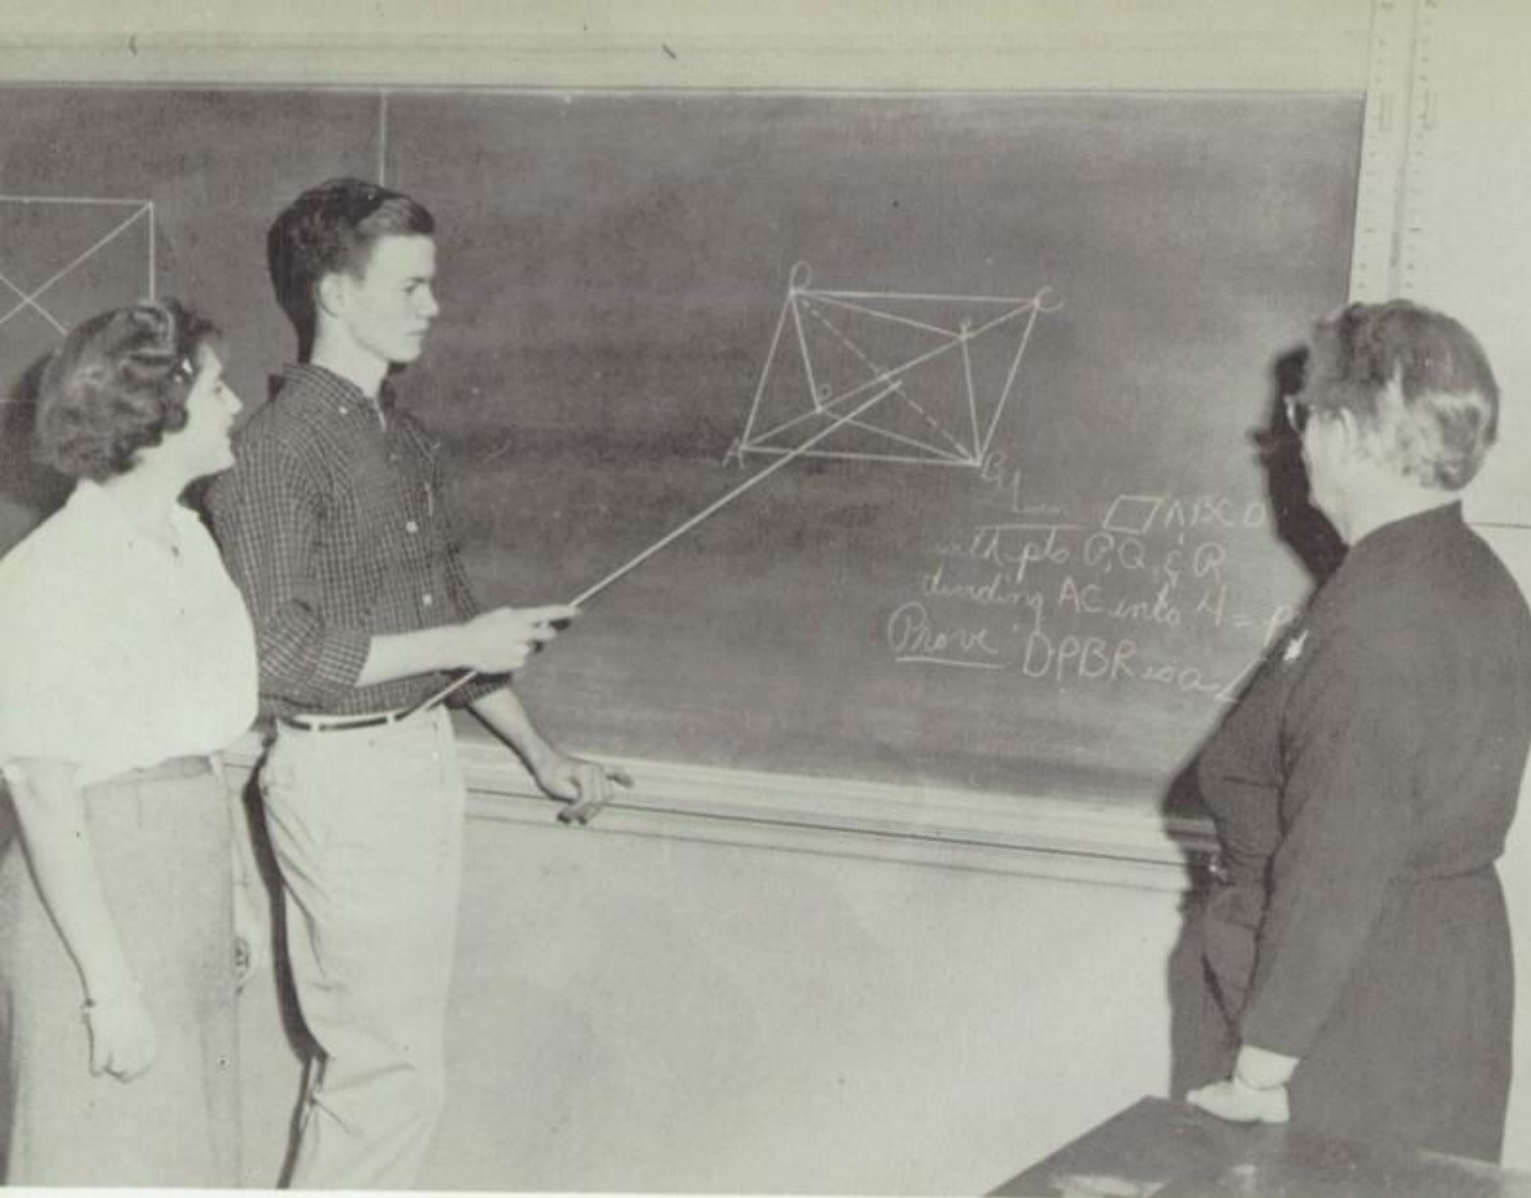

"This is the receiver," says Pat Karnes as she explains her Science Fair exhibit.

Mrs. Painter explains the complicated organic structure of the human body to M. A. Sublett.

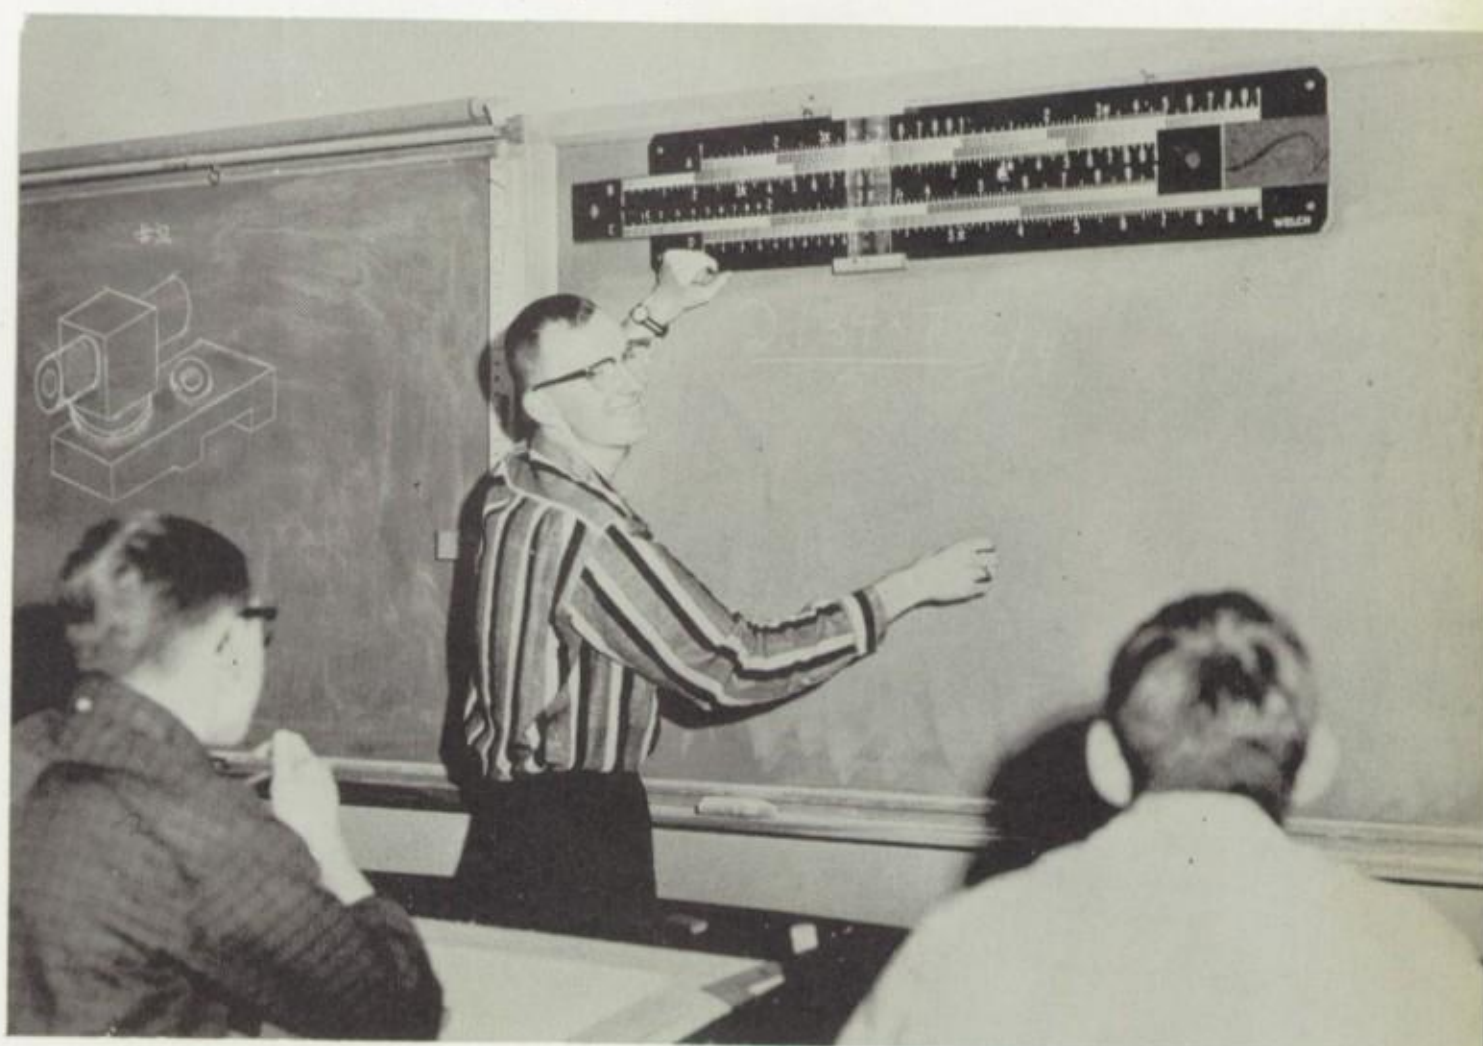

Opportunities Through Science

"Line Q R is equal to line P Q" says Richard Crist to Sue Martin and Mrs. Tucker in geometry class.

The intricacies of the slide rule are explained to members of the advanced math class by Doug Drumheller.

All forms of mathematics, from $|+|=2$ to $\sqrt[3]{2x+1} = \frac{1}{x} + \log x$ are covered by Fleming's curriculum. For the business students there is a specialized course; and for college-bound students algebra, college algebra, plane and solid geometry, and trigonometry make the student think.

Although we sometimes find our nerves frayed in seeking the solution to a problem, the relief we gain in finding the answer makes the struggle worthwhile.

Math Program Broad

Preparation for the Business World

Johnny Le Noir solves a problem in business math class.

"Learn your brief forms," says Mrs. Brown to her first year shorthand class while Miss James listens to the click, click, click, of the typewriter keys as the would be stenographers transcribe their notes. Besides typing and shorthand, business students are offered bookkeeping, general business math, and business English. A few fortunate students are able to take V.O.T. and work half the day in a business office. New this year is the D.E. course where the students work in a department store.

Miss Bates gives a student instructions in using the typewriter.

Variety of Languages Popular

P. Flick, W. Crist, and C. Riley practice Spanish with the aid of Mrs. Patterson and the tape recorder.

Mrs. Gustin helps her Latin students struggle through their first verb conjugations.

Scraping of chalk can be heard as students struggle to write conjugations on the blackboard. The Latin class explores Caesar's three parts of Gaul, while those taking Spanish learn the language of our Southern neighbors. One entering a French class would probably hear conversations in French with a slight American accent.

B. Adkins, S. Brammer, C. Weddle, and N. Windley, enjoy acting out "Macbeth" in their senior English Class.

Social Studies Key to the Past

In exploring the past and present and in finding out the how and why of history, Fleming offers a heterogeneous course in social studies. Also available to students are world history and geography, along with the required American history and government.

Members of geography class locate countries included in their reports.

Mrs. Jessee's government class meets Congressman Richard Poff, Representative from Virginia's Sixth District. Students shown are A. Edwards, J. Robertson, E. Clark, and L. Evans.

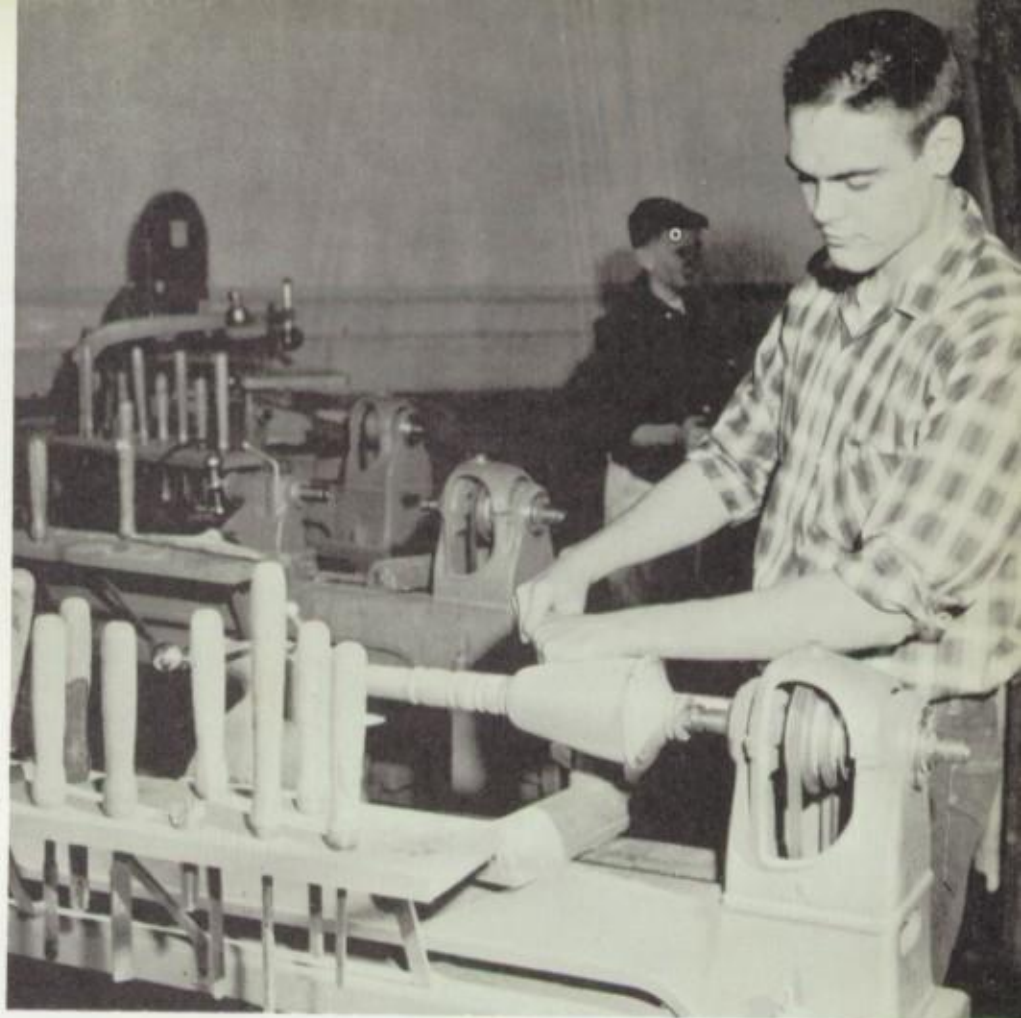

In American history class, D. Wells, B. Hancock, J. Sink, Miss Walton, J. Bush, and D. Layman admire their "White House".

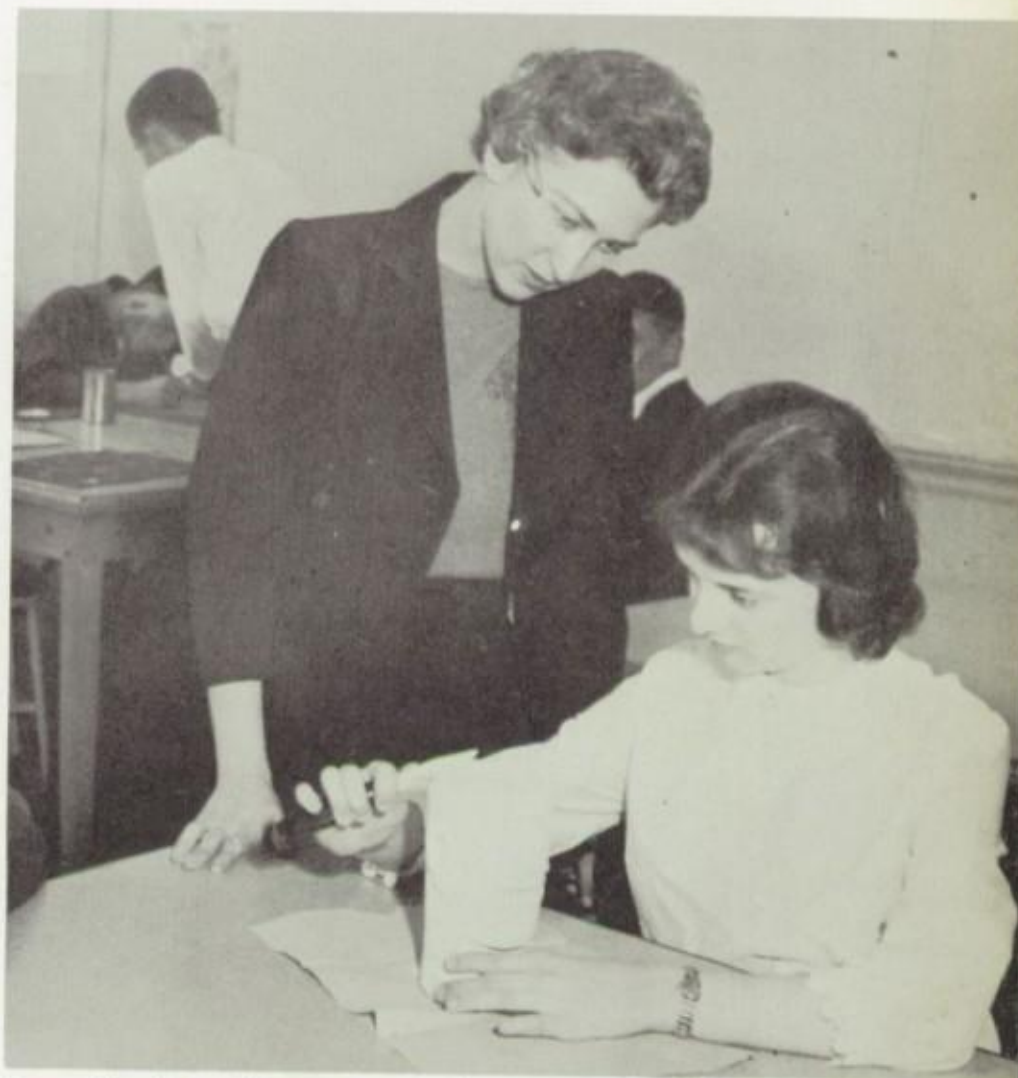

Since all students have different personalities and interests, Fleming offers them a wide variety of elective subjects. For the future Leonard Bernsteins or Lili Pons, there are the band and choir; for aspiring Rembrandts or Michelangelos, there is art; for the hopeful Marlon Brandos or Katherine Cornells, there is drama; and for the builders of bridges or homes, there are industrial arts and home economics.

Brintha Clark increases her wardrobe while learning to sew in home economics.

Thomas Robinson demonstrates his skill in shop class.

Mrs. Burks advises as Judy Kanode tries her hand at sculpturing.

Electives Give Training and Pleasure

A high school is fun. It is "dancing in the dark" at the Christmas dance, crowning a queen at the Homecoming game, making a prize-winning speech at the district forensic meet.

Mingled with the joy of success is the remembrance of the work that made it possible--the hours spent in preparation for the band festival at Bristol where we won the coveted trophy, the decoration of the gym with tinsel and holly or festoons of crepe paper, the rehearsal for the play while the stage crew drove last minute nails in the scenery. These are the events that for us are the fun and features of the year.

HOMECOMING

Our bonfire glowed brightly, just as the spirit of the students was bright and cheerful at the game.

Excitement was in the air and floats were in the making, as Fleming prepared for its long-awaited Homecoming, October 16, 1959. On Thursday night festivities began with a bonfire and Fleming students watched a Martinsville player burn in effigy. The following morning our beautiful Homecoming queen was crowned in the assembly. Students lined the streets after school to cheer the parade as it passed through downtown Roanoke, and their enthusiasm was still evident at the game that night. A hop in the gym ended an unforgettable Homecoming.

The Homecoming Court--Pat Bethel, Gayle Ferguson, Mary Ann Parks, Dottie Stultz, Sandra Ray, Cathy Brown, Jennie Teass, and Eunice Freeman, in their pastel dresses complement this beautiful float.

"Those Magic Moments"

An attractive float represents the athletic program during the year.

Senior class president, Tommy Engleman, crowns Pat Bethel Homecoming Queen, as Donna Tankersley and Mr. Coulter watch.

"Stuffing and sewing," the J. V. and B. Cheerleaders begin making the dummy for the Homecoming bonfire.

A high school is sports. It is the feeling in the air from the first crisp fall days and the thud of the football to the warm, balmy newness of spring and the crack of the baseball bat.

Weary of the battle of books, we renew our zest by carrying the ball, swinging a racket or jumping hurdles. Fleming's wide sports program makes each of us "headliners" or active "sideliners," and enthusiasm stays at a high pitch throughout the year for both participant and spectator.

The 1959 football team gained experience this season against the strongest opposition the school has ever faced. The season opened with the Colonels bowing to the mighty "Vikings" of Bristol, Tennessee. In following weeks, the team came from behind to beat Covington with much help from the Ayers-Smith combination. The hard-charging "Hill-toppers" from Lynchburg overran the inexperienced Fleming line. With the Colonels leading at half-time, the flashy R.J. Reynolds High showed its reserve strength by coming back to down the Colonels in a sudden surge of scoring.

The Jefferson game proved to be the biggest disappointment of the year with the potent Magicians outscoring the Colonels before a crowd of 18,000. The team suffered a frustrating Homecoming defeat, partly because many of our players were sidelined with injuries. The Blue and Gold had little trouble rolling over the next two opponents, Pulaski and Danville. Fleming's hopes for a 5-5 season record, were shattered by an aggressive Byrd team. The team presented the coaches and the school with a grand finale by trouncing Andrew Lewis, a city-county rival, by a one-sided score.

J. V. Squad Is Varsity Material

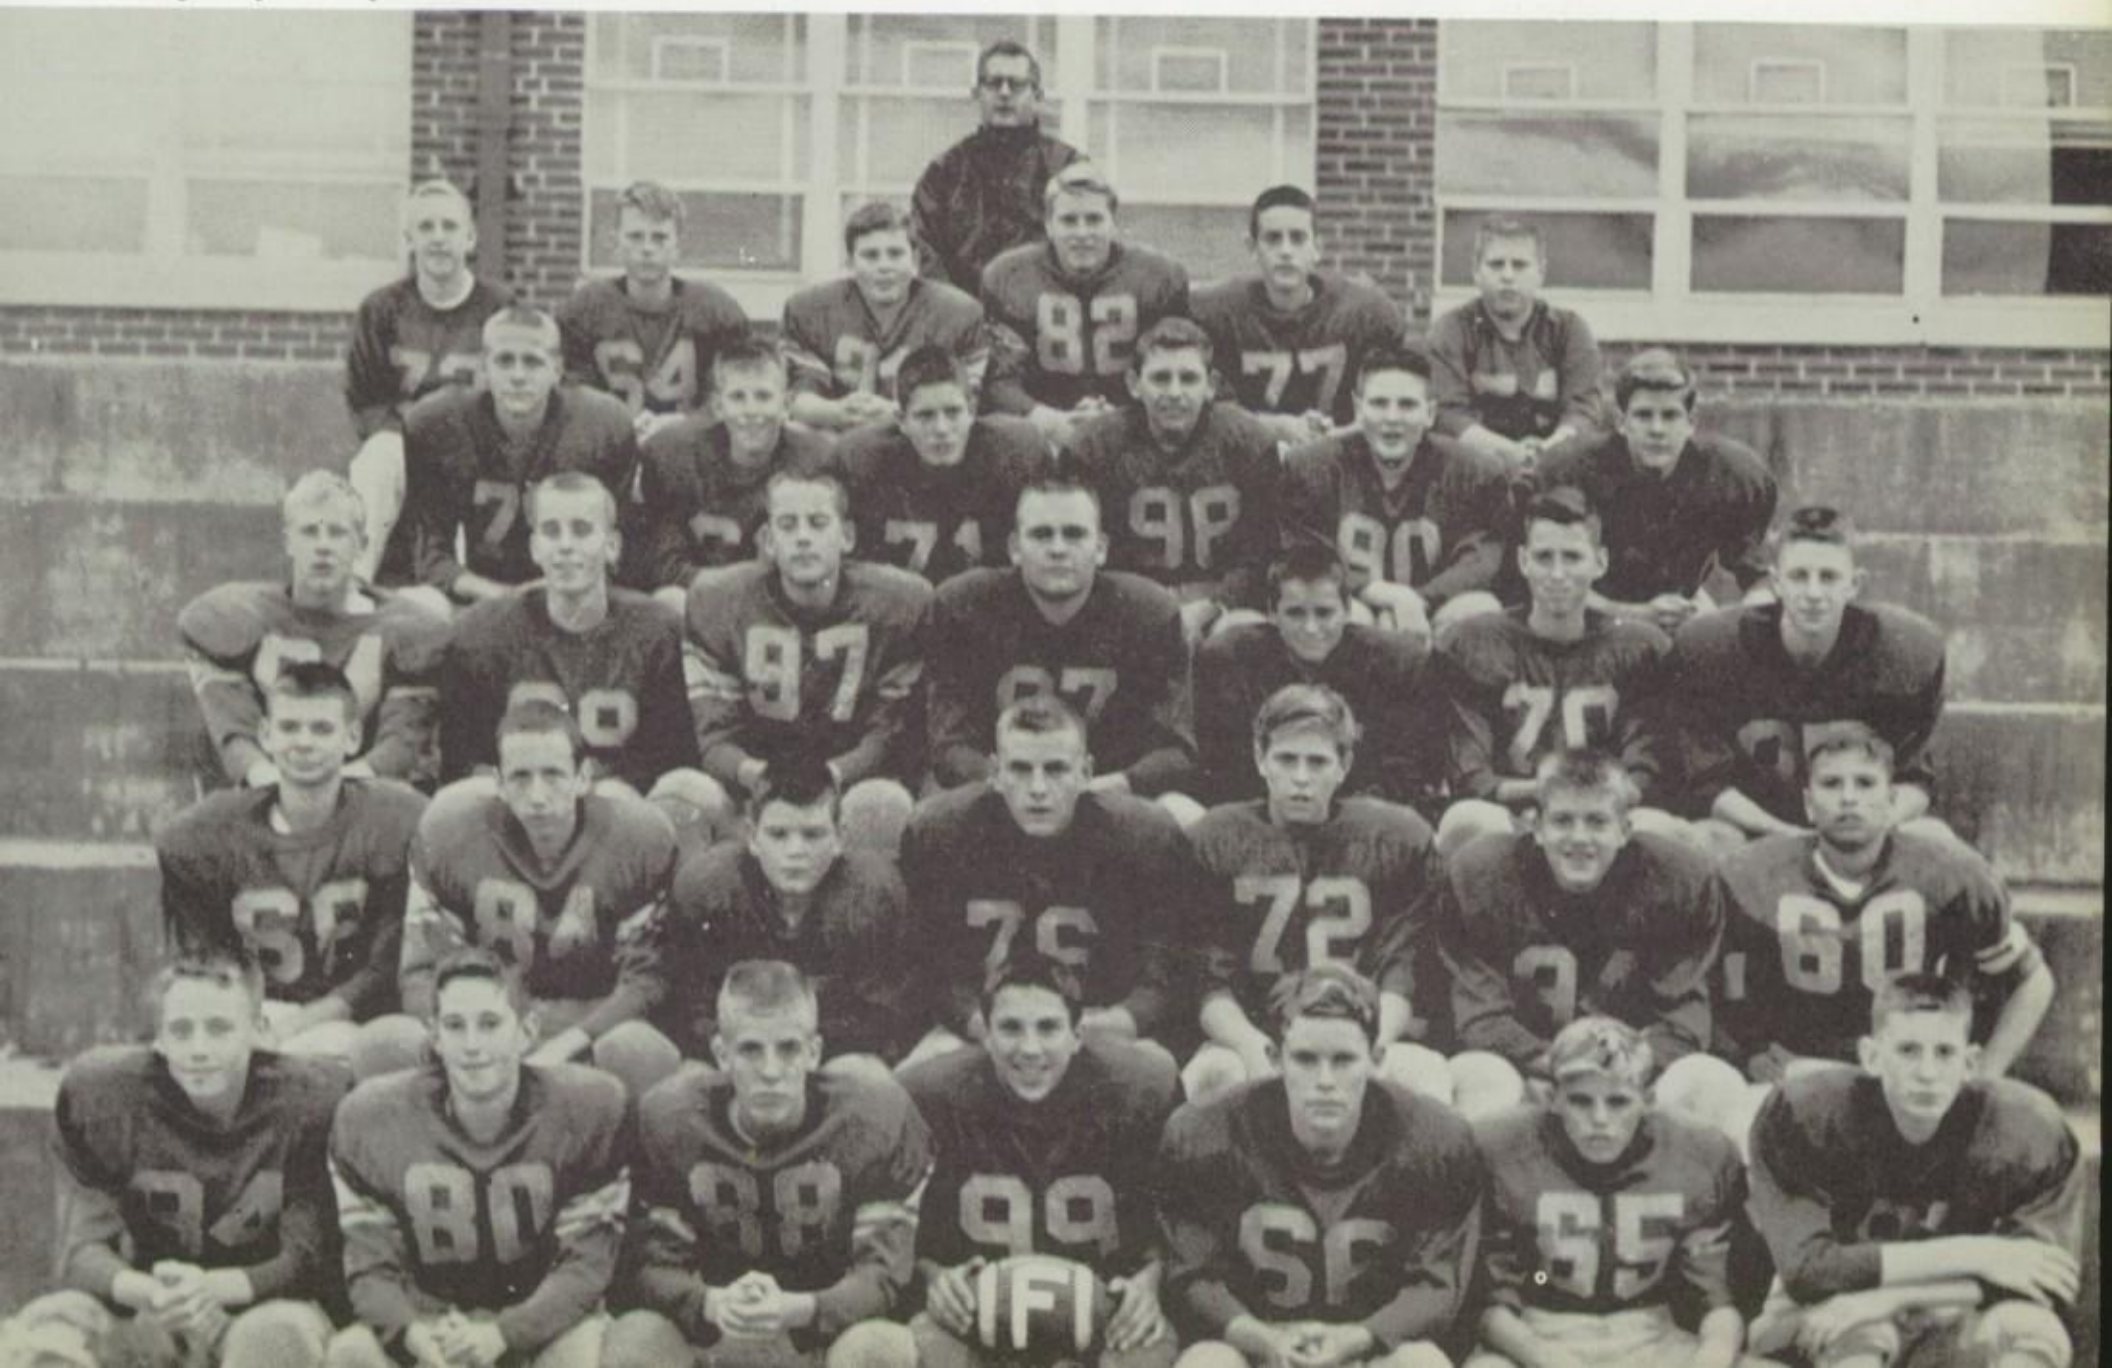

Fleming Freshman Team Shows Promise

Fleming's 1959 Freshman football team, composed of eighth and ninth grade boys, ended its season with a 1-6-1 record, the only win being over Cave Spring. Even though the Baby Colonels were not extremely powerful, the squad produced several prospects for future years. Coach Thompson's primary objective is building up his team's ability in the basic fundamentals of football so that they will be ready for the varsity squad.

Coach Jimmy Moore

Coach Moore had high hopes for his varsity basketball squad at the opening of the 1959-60 season. The Colonels quickly confirmed his hopes by handing him a 5-1 record by Christmas vacation. The next series of games proved costly in that the Colonels experienced five successive losses. Breaking this losing streak was more difficult than the team expected. On January 23, Fleming met the strong Orioles from Pulaski and after one of the hardest fought games of the season came out on the high end of a 62-61 score. The Colonels closed the season by winning three of the last seven games. Despite the nine wins to eleven losses the season can be termed a successful one since C.B. Sink set a new school scoring record for a single game with 32 points, and as a final to the year the team beat Andrew Lewis, City-County champions.

J.V.'s Experience Record-breaking Season

William Fleming 1959-60 Junior Varsity Basketball Squad is one to be remembered in the hearts of students. The J.V.'s under the capable leadership of Coach Jimmy Thompson, finished their extremely successful season with an over-all record of seventeen wins and four losses. These spunky little cagers beat every team they played at least once, and in some cases, twice.

Experiencing success, these boys realized that diligent practice sessions paid off in the long run.

Coach Thompson talks over the season's schedule with Captain J. Hurd.

Frosh Courtmen Show Potential

Freshman basketball's presence is being felt more and more at Fleming. The purpose of this team is not to compile records but to teach the fundamentals of the game to the inexperienced underclassmen. Coach Wooldridge felt that the boys learned to be good winners and good losers.

Young Matmen Split Season

It was a young but game wrestling team that took to the mats this season. The team was led to a 5-5 record by co-captains Edgar Knowling and Mike Patterson; however Patterson was hampered by an injury most of the season. Knowling remained undefeated and untied, the only man on the squad to do so. Elsworth Snyder was also undefeated, but one tie marred his record.

The team participated in the wrestling tournament held at Princess Anne High School, Norfolk, Virginia. The five boys representing Fleming were Richard Vest, Ellsworth Snyder, Don Shields, Edgar Knowling, and Tommy Gentry. Knowling placed third in his weight class at the tournament.

The wrestling skills of Seniors Wayne Roberson, Don Shields, Tommy Gentry and Don Hunziker will be missed next year.

T. Gentry scores a near pin on his Jefferson opponent.

Sprinters Give

The track squad of 1959, with an excess of sophmores and juniors, showed much potential at the first of the year. These potentialities were realized as Fleming placed third in the City-County track meet with $15\frac{1}{2}$ points. The highlight of the season occurred when Larry Arrington broke the school record of $49' 5\frac{1}{2}''$ in the shot putt with a toss of $51' 8\frac{7}{8}''$.

W. Montgomery shows E. Winstead and F. Hickham the art of high jumping.

Baseball...

The 1959 baseball team, coached by Mr. Dan Wooldridge, was the first varsity baseball team to be organized at Fleming in ten years. The Colonels won two of their first four games, indicating early in the season that Fleming had a potentially powerful ball club. Errors proved to be the costly factors in most of the team's eight losses, but these errors were off set by determination and hustle. The diamondmen came on strong at the close of the season winning six of their last eight games to finish the season with a fine 9-8 record.

Because of the newness of this sport at Fleming, the tennis team of 1959, under Coach Thompson, experienced a somewhat unsuccessful season. The Jayvee squad, however, met with more success, bringing in one match, to score the only win of the season. The team closed the season with the expectation that further experience would bring more wins.

The 1959 golf team had a fairly successful season winning one out of four matches. The first two matches were disappointing since the team lost both of them to Jefferson by one-sided scores. The next match had better results with a win over Byrd. The team closed the season with a 1-3 record.

All the matches were played at Blue Hills golf course. Mr. Hartwell Philips was the sponsor.

After much hard work and good sportsmanship, the Lady Colomels Varsity and Jayvee volleyball teams came out of the season as City-County Champions. The Varsity team boasted a proud record of no defeats and the Jayvees lost only one game to Jefferson. The co-captains of the Varsity team, Brenda Beheler and Pat Gillespie, were chosen to be on the honorary City-County Volleyball Team. A great deal of fight and determination brought our "Lady Colonels" basketball team through a very successful season. Almost every winter afternoon or evening the gym was full of girls practicing shooting, dribbling, or pivoting. As the season progressed both teams showed great improvements. The Varsity team won 9 games and lost 2, giving them the City-County Championship. The J.V.'s had an even record of 2 wins and 2 losses.

Again this year the girls overcame sore muscles to show a great deal of improvement in their bowling skills. Almost every afternoon some of the girls could be found rolling up high scores to earn their G.A.A. points. Some of the top bowlers this season were, Esther Cosby, Kitty Madison, Delores Tolley, Peggy Jo Falls and Donna Lovell.

Spirit to Our Teams

Leading cheers at pep assemblies and football and basketball games was one of the many activities of the cheerleaders. In November the girls were invited to cheer at the Shrine Bowl game and also appear in the Sandlot Parade. Sponsoring Homecoming was a major project. For the first time the cheerleaders cheered during baseball season.

Time for another cheer-is everybody ready?

Our Pep Assemblies

B. Moore, D. Updike, T. Sarver, G. Arrington, C. Cole, C. Kerfoot, C. Peters, and D. Lovell.

A high school is activities. It is the S.C.A. president calling a meeting to order, the choir singing in assembly, the lowly actor "carrying a spear" in the fall play.

As eighth graders we died a thousand deaths waiting to be members of the group and gain recognition. But as the years passed, we achieved a sense of belonging through making a speech in literary club, marching in the band, or planning the Sadie Hawkins Day dance; and in so doing, we formed new bonds of friendship and developed unsuspected talents within ourselves.

ACTIVITIES

S.C.A. Guides Our School

Providing the leadership needed for all school activities was the continued purpose of the S. C. A. Functioning under the leadership of Mr. Burks and Mr. Quinn, the organization was composed of the S.C.A. officers elected by the students, a representative from each home room, and class and club presidents.

A major project for the year was a weekly citizenship program, uniting the whole school to a good citizenship campaign. In addition to this year long project, the group promoted the spring formal, helped with college day, and continued the hall monitor system introduced last year.

Representatives for the S.C.A. took part in state and district meetings, sending delegates to the state convention and furnishing leaders for the annual district meeting, where the officers, Jim Short, Susan Giannitti, Marynell Roberts, and Ray Higgins held the positions of chairmen of group discussions.

The leaders of the S.C.A. are R. Higgins, historian; M. Roberts, secretary; S. Giannitti, vice president; and J. Short, president. Mr. Quinn and Mr. Burks are sponsors.

One of the most active clubs at Fleming is the Beta Club, which honors students of outstanding scholastic ability. The Club started the year's activities with an assembly satirizing the world of the "beatnik." Following this there was a "recognition week" for the new pledges, climaxed by a banquet honoring new members. Under the leadership of Mrs. Sifford, the club continued its stress on high academic standards by placing posters throughout the school urging greater effort on the part of all students. Other activities included selling football programs, furnishing a tutoring service for weak students, and starting a college scholarship fund for use by future members. Two of the club's proudest moments came when they presented a new U.S. flag to the school and aided in starting a Beta Club at neighboring William Byrd High School.

Laden with camera, flash and other photographic equipment, three staff members prowled the halls, intently posing groups and snapping pictures. Inside 114, typewriters clacked madly away on finished copy, while layout editors revised plans for pages. Overseeing all, the co-editors, sometimes looking wild-eyed and harassed, rushed from one spot to another making sure that all was in readiness for the deadline. Amid such "ordered confusion" the 1960 Colonel grew from theme idea to accomplished reality.

Winning S.I.P.A. awards seems to be a habit with our Sabre staff, who brought back a first place award from the 1959 S.I.P.A. convention. That the efforts of the staff in putting out a six page newspaper twice a month were fully appreciated was shown by the manner in which the students eagerly seized their copies of the paper when each publication day rolled around. In search of further improvements the staff sent four delegates to the S.I.P.A. convention in April to learn new methods from the experts and exchange ideas with other students. Mr. Graybill served as sponsor for the first term, and after his departure for graduate study, M. Garland assumed the responsibilities for the spring semester.

Bible Club

Encourages Christian Attitude

Fleming's Voice of Christian Youth attempted to promote high ideals and encourage Christian living. The Club started its year's activities by having a float in the Homecoming Parade. Their active year then continued with a dinner at the S & W, an assembly, and numerous bake sales. This club concluded its activities with another dinner.

Officers of the Literary Club, Addie Edwards, President; Linda Evans, Secretary; and Carolyn Hale, Treasurer; Bobby Williams, Vice-President, gather ideas from magazines.

Improving speech is the goal of the Literary Club. Participation in such events as district and state forensics, the American Legion Oratorical Contest, Voice of Democracy and "My True Security" was encouraged. Among winners of these contests have been Susan Giannitti, city champion of the Voice of Democracy, Barbara Crenshaw, state champion of "My True Security," and Nancy Garland, state champion of Girl's Public Speaking. This active Club bought plaques for honors won, sponsored a new school flag for Fleming, and published a literary booklet "The Beacon." Mrs. Dickinson was the club's sponsor.

Before full houses, attentive audiences, and many college groups, the Thespians highlighted the 1959-60 dramatic year. Under Mrs. Dickinson's capable direction. "Smilin' Through" was the fall presentation and a solid hit. Combined with the annual Christmas play "A Child is Born", in which Richard Henniger proved himself an outstanding actor, and the district and spring plays, the forceful troupe received much applause and admiration. Susan Giannitti, serving as president of the organization and as star of several productions, received many personal awards and much recognition for the department.

Band Gets Touch of Glamour

Here comes the Band! And who is enjoying themselves more than the Majorettes? As a part of the Band they have participated in the parades, games and trips throughout the year, adding color and boosting the morale of the group. During one of these festivals, the Southeastern Band Festival, these high-strutting majorettes won top honors. To raise money for out of town trips and new uniforms, they sponsored a bake sale and a rummage sale.

Working jointly, the senior and junior councils of the Junior Red Cross sponsored several projects for the community during the year. In the fall the membership drive proved very successful, the school being 100 percent, thus aiding the support for the year's activities. For Thanksgiving and Valentine's Day nut cups were made for the use of veterans at the Veterans Hospital. Among other services performed for the veterans was the collection of stamps, greeting cards, and cross word puzzles. As a concluding project a chest was built to be filled later with Red Cross supplies and sent overseas. The chapter was sponsored by Mrs. Tucker and Mrs. Sutphin.

Activities scheduled for the year included a spelling contest given through business classes, a banquet at the S & W, guest speakers, a bake sale, and employee-member banquet, and the sponsoring of a float in the Homecoming Parade. An outing climaxed the year's projects.

"Future teachers" proved to be more than just a title for the members of the F.T.A. this year. Classes had not yet begun when they welcomed old and new members of the faculty with a "coke and chips" party. To get a better idea of higher education, they visited Radford College. They obtained another glimpse into the future when they entertained Fleming's student teachers from Longwood with a tea and assisted the eighth grade teachers with the testing program. Both district and State conventions of the F.T.A. were held in Roanoke, and the Fleming club was well represented in helping with the registration of delegates and in planning decorations for the conventions rooms.

Flemings Art Club contributed to the aesthetic life of the school by frequent art exhibits that found students pausing and admiring as they went on their way to classes or to lunch. A major project for the year was a new oil painting added to the collection in the library. A trip to Washington to see the famous works of art in the museums of the city was fun as well as inspiration; and with the coming of spring, fresh incentive was given the future artists by the club's sketching jaunts to nearby areas of scenic beauty.

Creative Talents Developed by Art Club

Officers of the Art Club are Mr. Egge, Advisor; C. Hale, Vice-President; F. Brown, Treasurer; B. Carwile, Secretary; and C. Allmond, President.

A. Stephenson and B. Carwile manage to work despite the kibitzing of C. Allmond and C. Hale.

"Where's that extension cord?" "Turn up the sound." "Give me a hand with this light." These remarks show that the boys who make up the Rotas are on the job. Throughout the year they operated the public address system, ran movie projectors and helped with assemblies. When some of the equipment broke down, the Rotas were hastily called. The effective lighting for school dances was part of their willing contribution to school life.

G.A.A. Sponsors Athletics

Sponsoring the Sadie Hawkins Dance, the all-girl assembly, hops and the May Day were the year-round projects that showed the enthusiasm and spirit of the Girls' Athletic Association. Points being earned by participation in sports activities have brought recognition and awards of letters,

The Sr. G.A.A. officers are: B. Beheler, President; C. Hale, Vice-President; H. Crouch, Secretary; R. Camper, Treasurer; B. Stultz, Point Keeper; Miss Minton and Mrs. Copenhaver, sponsors.

Celebrating its third birthday at Fleming this year, the Girls' Monogram Club strives to achieve the following aims and purposes; it encourages participation in athletics, promotes new sports, urges good sportsmanship, develops leadership, encourages girls to enter the athletic teaching field and promotes intramural and extramural sports.

Girls receiving over 700 Athletic points are recognized. Three awards are given to members earning sufficient points. These include a plaque, a trophy, and the highest award—a blazer.

The goal of the club for the year is the establishment of an archery range and necessary equipment for this sport.

Varsity Club Recognizes Athletes

Varsity Club officers, Gary Thrasher, Treasurer; Joe Bush, Secretary; Hugh Harnsberger, Vice President; David Ayers, President; give support to the teams.

Boys earning their letters at Fleming usually become members in the Varsity Club. Athletes interested in football, wrestling, track or baseball are eligible for membership. Large F's worn on a blue and gold sweater are coveted from the eighth grade up. This year's Varsity Club sponsored a float in the Homecoming Parade.

Photography Club Is Organized

Being a completely new club at school has not hampered the Photography Club. The members of this organization are interested in cameras, film, and good pictures. Mr. Egge sponsored the club and Fred Hickam served as President, leading the group in taking pictures of assemblies, ball games, shots for the COLONEL and the SABRE, and pictures of school activities.

School spirit at Fleming has always been a matter of pride among its students. The Pep Club in its second year as an organization showed that "rallying 'round the team" was work as well as fun. Betty Hall and Franie Milton headed the group who decorated the goal posts with the school colors before each home game. "Peppy" was the word for the convertible that represented the club in the Fleming-Jefferson game parade and the float, which joined the flotilla for the Homecoming celebrations.

Under the sponsorship of Mrs. Townsend the Poetry Club has endeavored to put into practice its motto--"Lead a happier life with poetry." The group has read and discussed poems as well as trying its hand at writing them. A picnic ended the activities of the year.

Poetry club officers are M. Saunders, Vice President; F. Milton, Treasurer; T. Baldwin, Historian; M. Hall, Secretary; and D. Trout, President.

Rockets, Calculus Studied by Science Club

Fleming's Science Club has been active in the past three years. The club seeks to encourage interest in the scientific field and participation in many projects and contests. These young scientists have been numerous winners in both local and state fairs and several have entered Westinghouse Science Talent Search. The members started this year by visiting laboratories at Roanoke Memorial Hospital. These brave souls continued their active schedule by watching an eclipse of the sun.

Larry Hill, Vernon Hicks, and Bill Suggs turn out the first edition of "Science Club Monthly."

Providing for a future in the business world is the object of our modern Vocational Office Training class. The V.O.T. girls learn to use office machines in actual practice by holding jobs in their chosen fields. Businessmen frequently call on Mrs. Thomas, our new V.O.T. instructor, for capable, hard-working secretaries, bookkeepers, typists, and file clerks.

J. Flick practices diligently on the electric bookkeeping machine.

Being brand new at Fleming has not deterred the professional Distributive Education Class under the direction of Mrs. Smith. This class is a vocational program for those training for careers in distribution, including wholesale, retail, and service. By providing jobs for the DE students this class gives invaluable on the spot experience. Under capable leadership the club attained success and made a grand entrance into Fleming life.

The V.O.T. officers are: E. Shumate, Secretary; D. Fizer, Vice President; E. Higginbotham, Treasurer; Second-Row: E. Clark, President; Mrs Joan Smith, Sponsor.

D.E. Offers Seniors Job Experience

A high school is its faculty. It is the influence of men and women who present us with facts, listen to our problems, share in our triumphs.

Our faculty members are more to us than briefcases, special mannerisms, or the group who escapes to the office to become refortified by a brief moment among fellow members. They are the leaders who, going out into the maze of humanity, direct our thinking and increase our knowledge.

A high school is classes. It is contentment with a high grade, disappointment with a low one, the ups and downs of assignments and study and tests.

Through our classes we encountered many classmates with new problems and ideas. We were strongly influenced by fresh personalities whose beliefs might fit in with ours or strongly oppose them. We did not always agree with the opinions presented but with the challenge of differences came new growth.

CLASSES

Mrs. Virginia Mason, sponsor; Tommy Engleman, president; Janice Miller, secretary; Mrs. Catherine Loomis, sponsor; Gladys Webber, Historian; Mrs. Irma Odom, sponsor; Ralph Fugate, Vice-President seem engrossed in making senior class wheels turn.

Of all the years of high school, the senior year always holds a special place in one's memories. It is full of both fun and work, but most important, it is the realization of earlier dreams and a key to the future. A busy year

included the Ring Dance, the senior class assembly, and the senior banquet, with dance following. On graduation day, each senior felt a sense of accomplishment as he walked down the aisle to receive his diploma.

The Junior Class officers and sponsors are: First Row--Mrs. Webb, Miss Walton, and Miss James. Second Row--W. Old, Vice-President F. Brown, President; Mrs. Brown. Third Row--D. Layman, Historian; M. Parks, Secretary.

The junior class started its busy year with a bang by electing officers. The juniors then displayed their talents in an assembly, "The Ringling and Brown Circus" which every one enjoyed. In order to raise money for the Junior-Senior Prom the active class sponsored a Harvest Dance. This has been one of the best years yet.

"The Chocolate Drops", L. Hulvey, F. Hickam, R. Vest, E. Knowling, and B. Stover, start their can-can in the Junior Class assembly.

The Prom Committee, choosing favors for the big night are: W. Old, F. Brown, M. Parks, J. Brown, and D. Layman.

Good luck and best
wishes to a real sweet
girl. I've enjoyed having
you in your class. Always
try to forget how much
I am. Be good and
know you'll do for
better of me. See you
soon.

A high school is a strange combination of personalities and books, people and desks. Its appearance rarely changes, yet thousands of changes, large and small, go on every day within its walls. At the end of another year when it settles down for its annual vacation, many sounds linger on--the sounds of young America's cherished moments, its companionships, and its own special dreams.

This is a high school.

Best wishes to a sweet girl. May the best of every thing be yours in the future. Maybe one of these days we will get to go to Seattle. Be good.

School Editors Demand Confidence

Editors of high school and college yearbooks insist upon doing business with a printer in whose integrity they can have confidence.

From the very beginning, in 1883, Stone Printing has been a quality leader in the specialized field of yearbook production. We are proud of the confidence demonstrated by the acceptance which "Yearbooks by Stone" have received among our many customers over a span of more than three-quarters of a century.

There are countless reasons why so many schools have complete confidence in Stone. You, too, can take advantage of our complete service to high school and college staffs. From the first layout to the completed job, printed by either offset or letterpress, your book will be produced to meet your most exacting requirements and your budget.

One of our representatives will be happy to meet with your staff and discuss your next yearbook. Please call on us.

SHOOTING FOR THE MOON

The thunder of gleaming rockets as they zoom into outer space foretells a new era in man's quest for knowledge: the space age.

Shooting for the moon used to mean attempting the impossible... but now, with the space age at hand, interplanetary flight is just around the corner. Brand new horizons are opening to man...and with them comes new challenges for all of us. Where shall we set our goals?

The rocket in its flight through space toward the moon is guided by men. It sets no goals for itself...nor does it recognize a challenge. Man is the controlling factor...man is the challenger. No matter what our calling in life, each of us can, in effect, "shoot for the moon" in establishing our goals... and then, set about accomplishing them with the solid "fuel" of determination.

The rockets conquering outer space are big and powerful... but only as long as they are directed and cared for by men. In our personal quest for new horizons, our "thrust" must come from within...from a willingness to accept challenges... and a determination to win no matter what the odds.

In the space age...as in Ages past, there will be no "formula" more potent than the power of the individual.

Best of
 luck always
 to a very sweet
 and cute girl. Always
 remember gym class
 and the fun that we have
 had in gym together. I
 wish you and Wayne all
 the happiness in the world.
 so be good until next year, but
 I don't think that I will get to
 see you anymore, because this
 is my last year. (I'm quitting)
 with love

Gail, I've enjoyed
being in your gym
class this past year.
I want to wish you
all the luck and ha-
ppiness in the world.
Hope I get to see
you again next year.
Be good!!!

Love ya,
Margaret Link

Hi Gail,

Best luck to a real
cool kid. It sure has
been a good year with
you in Algebra class.
I hope you become a
big wheel at Fleming.

Will see you next year

Dear Gail:
Well this is my last
year at Fleming. Remember
U.M. gym but I'll remember
fun to you and all the
we've had. Good luck
he just doesn't like you.
I hope I
all. Don't worry! You'll
get him yet. I hope I
hook Steve (this really
hooking me). The best of
success to you. Study
hard next year. Don't
forget "little naney and
her laugh".

Sincerely yours,
naney Simmons

P.S. Tell Wayne I think you and
him made a nice couple.

Just at 9 weeks to a wonderful season.
I hope we can get together this
summer & visit you. Don't forget
all the fun we've had together this
past year. See you real soon again.
Love always,
Diana S.

Dail,
It's been fun being in your Latin
& Bio. classes this year. Hope to see
you next year.

Love ya
Joan

Good luck
to a very sweet
girl. Be sure to remember
bio. See you

Dail,
It's been nice
knowing you. This
year. Hope to see you
in the future. Best
wishes always.

Love,
Peggy Hayes

Hi Dail,
Best of to a
real cute and smart
girl. Hope you have
a very happy future
and I will see you
next year.

Always
Janice Drayhill

Hi Dail,
I hope you have
a very happy future
and I will see you
next year. Love,
Candy Menefee

I remember
 the good times
 that we had last
 summer in the jeep.
 It's a wonder that we're
 still alive driving so
 crazy in the old rattle-
 trap. This year we'll try
 to blow some people off the
 road in the olds.

I LOVE
 YOU ALWAYS
 Wayne

I don't know what I expect to see you
 the last time you the last
 someone's annual thinking
 difficult to write to
 this is rather sign
